Government of Rajasthan
Department of Environment

Dated: 01 December, 2020

F. No 12 (59)/ENV/2018

District Collector
Sawai Madhopur
Rajasthan

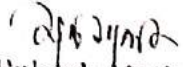

Subject: Preparation of District Environment Plans

Sir,

Kindly refer to your letter NGT Matters/2020-2021/7007 dated 20/11/2020 vide which District Environment Plan for Sawai Madhopur District has been submitted. Though a very sincere effort has been made in preparing the plan, following were found appropriate to be included:

- A brief detail about the Climatic Conditions of Sawai Madhopur may be included.
- A Chapter on Environment Threat viz. Waste management, pollution in water bodies, and river stretches, industrial pollution, air & noise pollution, Domestic Sewage Treatment, Industrial Waste Treatment etc in Districts should be included.
- A brief of Aim and Objectives of the Plan may also be part of document.
- For all type of Waste Management: A table showing total waste generation at present, waste processed, gap in waste management, action plan for addressing the gap with timelines and responsible department may be included. Public Awareness IEC Activities and Staff Training for Waste management.
- Details of Industries falling in different Categories (Red/Orange/Green/Mines, authorization under various Acts and Rules, pollution threats and action plans may be included.
- A Map showing Ground Water status, Exploitation and action plan for restoration.
- Environment threats due to tourism industry for Ranthambore Tiger Reserve
- Efforts for Polluted River Stretches and damage to adjoining agriculture field and human population.
- Agriculture Data Related to Soil Health May be included along the river stretches And Management efforts such as promotion of water conservative irrigation practices, Reduction in uses of Pesticides or Chemical Fertilisers etc may be included
- Budgetary requirement for implementation of proposed actions.

You are requested to look into the observations and submit a revised plan at the earliest

No. PS/PSF/2020/

Dated : 7th August, 2020

To

District Collector,
Bharatpur/Dholpur/Karauli/Sawai Madhopur
Rajasthan

Sir,

Please find enclosed consent letter of Vardhman Mahaveer Open University, Kota to become the Knowledge Partner for preparation of District Environment Plan for your district.

In this regard, please refer to D.O. letter No. PS/PSF/2020 dated 5th August, 2020 which mentions that preparation of this plan is not only a budget announcement for the year 2020-21 but also a direction of Hon'ble NGT.

Dr. Alok Chauhan, Asstt. Professor (Geography), Vardhman Mahaveer Open University, Kota has been designated as Nodal Officer on behalf of the University. He may be contacted by your office at the earliest so that the plan is prepared well in time. The Environment Department shall bear the expenditure incurred on preparation of the Plan.

Subject: Preparation of District Environment Plans for Districts
Bharatpur, Dholpur, Karauli and Sawai Madhopur.

Sir,

Kindly refer to Vice-Chancellor of Vardhman Mahaveer Open University, Kota letter no. F.1/VMOU/VCS/2020/935 dated 06.08.2020 vide which consent of the University has been given to become the Knowledge Partner for District Environment Plan to be prepared for Districts Bharatpur, Dholpur, Karauli and Sawai Madhopur. You have been designated as the Nodal Officer on behalf of the University for this work.

This work has been included in the budget announcements made by Chief Minister for the year 2020-21 and therefore has to be completed in time. You are requested to intimate the progress made regarding the finalization of modalities and agreement with the District Collectors regarding the District Environment Plan. The concerned District Collectors have been informed regarding the above (copy enclosed) and have been requested to contact the University for initiating the work at the earliest.

Enclosure: As Above

Dear Smt. Guha,

This is in reference to your letter No. D.O. PS/PSF/2020, dated 5th August, 2020 received through e-mail. It gives us great pleasure to extend consent for being the knowledge partner for the districts stated in your above mentioned letter for preparing the District Environment Plan. The university feels greatly honoured to be given this responsibility.

It is also submitted for your kind information that Dr. Alok Chauhan, Asstt. Professor (Geography), VMOU will be the Nodal Officer for this task.

With kind regards,

Yours sincerely

Ref: VMOU/VCS/Environment Plan/2020 / 979
Dated: 30/9/2020

The Principal Secretary,
Department of Forest and Environment
Government of Rajasthan
Jaipur

Subject- Regarding Role of Vardhman Mahaveer Open University, Kota as a Knowledge Partner in Preparation of District Environment Plan of District Bharatpur, Dhaulpur, Karauli and Sawai Madhopur Districts.

Reference- Letter of this office No. F.1/VMOU/VCS/2020/935 dated 6th August 2020 and Letter of your Office P.S./PSF/2020 dated 7th August, 2020.

Dear Madam,

With the above cited subject and referenced letter it is brought to your kind notice that as per telephonic discussion and letter regarding District environment Plan, University was to perform the role of a Knowledge Partner only. It is requested to kindly specify the role and responsibilities of the university as a Knowledge Partner in Preparation of District Environment Plan of Bharatpur, Dhaulpur, Karauli and Sawai Madhopur Districts. After discussion with Nodal office regarding preparation of these District Environment Plans the following queries are important to be clarified at your end :

- which kind of data are needed,
- who will collect or provide data,
- what kind of human and infrastructural resources are needed,
- what technological base is required,
- which type of equipments are needed, etc.

University does not have any Department of Environmental Science and any subject expert of Environmental Science. So it is requested to kindly share the detailed guidelines and action plan in a simple and clear manner so that university may proceed accordingly with available resources and infrastructural facilities.

(.....2)

Rawatbhata Road, Kota (Rajasthan) 324021, India

(M) 9558095921 (O) 0744-2471254 (Fax) 0744-2472525

As of now Nodal Officer of the university has been contacted by only one district ministration, i.e. Sawai Madhopur. The letter of district collector of Sawai Madhopur (क्रमांक/ एनजीटी/2020-21/4572 Dated 10-08-2020; Enclosed) seems to convey that the Preparation of District Environment Plan is the sole responsibilities of Knowledge Partner Institution. In this case, due to limitation of available resources and infrastructural facilities, the expectation that the university should prepare the plans seems impossible and impractical.

It is also stated that the university is willing to shoulder the responsibility as a Knowledge Partner and it is proposed that one nodal officer should also be appointed by the Collector of the concerned District. Communication, discussion and cooperation between such a nodal officer of a District and the nodal officer of the university will facilitate the effective realization of the goals envisaged in the Plan.

It would be greatly appreciated if you could instruct all concerned offices in this regard to contact the University's Nodal Officer through a formal communication to the office of the undersigned.

With warm regards.

Yours Sincerely

Prof. (Dr.) Ratanlal Godaraa

D.O. No. PS/PSF/2020/
Dated : 5th August, 2020

Dear Dr. Godara,

It is my honour to inform that the Hon'ble Chief Minister, Rajasthan has made a budget announcement for the year 2020-21 to prepare District Environment Plans in all 33 districts of Rajasthan. The Hon'ble NGT has also issued directions to the State Government that these plans should be prepared immediately. The State Government has also sanctioned funds for the same.

In this regard, I would like to request your esteemed institution to become the knowledge partner for the districts of Bharatpur, Dholpur, Karauli and Sawai Madhopur. The District Collectors of the concerned districts are the coordinating agency for preparing these Plans. They shall be directed to contact your University and ensure that the plans are prepared in time.

May I therefore, request you to convey your kind consent to be the knowledge partner and assist these districts in preparation of the District Environment Plan. Associating with your institution will not only be an honour for us but it will go a long way in promoting environmental conservation in the State. I would also request you to designate a Nodal Officer for this task. On behalf of the State Government, Dr. D.N. Panday, IFS, Secretary, Environment Department will be coordinating. He is available at email env_raj@yahoo.co.in.

Warm regards,

Yours sincerely,

(Sreya Guha)
