VARDHAMAN MAHAVEER OPEN UNIVERSITY, KOTA

Modalities for promotion of the students of various Management Programmes to next higher classes offered by Vardhaman Mahaveer Open University with effect from July 2001.

At present the students have been pursuing different Management Programmes offered by the Department of Management Studies namely, Diploma in Management (DIM), P.G. Diploma in Human Resource Management (PGDHRM), P.G. Diploma in Marketing Management (PGDMM), P.G. Diploma in Financial Management (PGDFM) and MBA. To streamline the schemes the following modalities are prescribed :

1. The students who wish to be streamlined in the MBA Programme will be registered in the MBA I Year, MBA II Year and MBA III year as per the present scheme. Thus, registered students of MBA I year will be registered for MBA II year and simultaneously the students of MBA II year will be registered for MBA III year without qualifying/waiting for the results of the examinations.
2. The student of DIM/PGDIM/PGDHRM/PGDFM/PGDMM Programme who wish to be streamlined in the MBA programme will be registered exclusively for the MBA I year/MBA II year/MBA III year, provided he/she processes the requisite eligibility. The students who have qualified some of the courses will be exempted for registration and their marks/grades will be carried forward on the request of the students. However, the students will have to be streamlined/regimented in the particular class of the MBA Programme like MBA I year/MBA II year/MBA III year. The students should enclose the copy of marksheet to carry forward the marks of qualifying courses. The students need not to pay the course fee for the course(s) already qualified. However, if the registration period of the course have been over and yet not qualified, the students will have to apply for re-registration for such courses and pay the requisite fee.
3. The students will be allowed to appear in the Term End Examination (TEE) for 8 courses at active.
4. For appearing in the TEE the students will ensure that (i) the registration for the particular Programmes stands valid i.e. two years did not lapse after registration (ii) the home assignments have been submitted to the concerned regional centres, and (iii) the complete fee has been deposited.
5. Course duration of each programme is specified as under :-

S.No.	Programme	Minimum Period	Maximum Period
1.	M.B.A.	03 years	06 years

6. The concept of re-registration means that if the student could not qualify course(s) within stipulated period will have to be re-registered afresh by depositing the fee for the course for He/She which registration is sought. Only after re-registration the students will be eligible to get fresh print study material and appear for the TEE. The rules of reregistration will be applied.

The Examination form is enclosed which is to be sent to the Controller of Examinations, directly as per the following schedule :-

Exam. Session	Without any late Fee	With Late Fee (Equal to Exam Fee)
June	1st April to 30th April	10th May
December	1st Oct. to 30th Oct.	10th Nov.
